

BISON
DESIGNER ALUMINIUM

HIDDEN SASH SYSTEM

Bison has designed more than 50 exclusive systems of windows, façades, composite panel, solar protection systems and balustrade. This commitment to innovation allows us to offer high value added products, maximizing energy efficiency, thermal and acoustic insulation and resistance to atmospheric agents.

HIDDEN SASH

Less sight profile, more luminosity with excellent values. New hidden sash Euro-Groove design with section profile of 66mm.

Maximum glazing area, 85% window glazing area. Excellent luminosity in internal spaces.

- It has an excellent energy efficiency: door transmittance from 1.0 (W/m²K)*.
- Maximum noise protection: up to 46 dB acoustic reduction.
- Unbeatable tightness: CLASS E1650, which means during 95 minutes, total affluent of 570 liters and wind velocity of 188 km/h, there's no water intake.
- Possibility of hidden hinges and Evo Security hardware.

CATEGORIES ACHIEVED AT TEST CENTRE*

Air permeability	CLASS 4 (max)
Water tightness	CLASS E1650
Wind resistance	CLASS C5 (max)

DTA certification from CSTB lab
Ref. 6/17 - 2363

Security Test: passed 

ATG Certification 3204

OPENING POSSIBILITIES

Interior side hung 1 & 2 sashes, tilt&turn 1 & 2 sashes and tilt.

RESISTANCE TO ATMOSPHERIC AGENTS

All of Bison (UK)'s enclosing systems are tested in the Test Laboratory at the Technological Center to guarantee the best performance in watertightness, air permeability and wind loads, endorsed by the maximum results in its test qualifications.

THERMAL INSULATION

Nowadays energy efficiency in buildings is a demand made, both by the architects, as by the final customer aware of the importance of saving on heating costs and air conditioner. Bison (UK) meets such challenge with systems for every climatic area with a high insulation coefficient to ensure the comfort in the residence.

ACOUSTIC INSULATION

In order to transform the residence into a private space, intimate and free of pollution outdoor acoustics, Bison (UK) has designed its enclosing systems with all the latest technological developments necessary to ensure indoors peace and relax.

UNLIMITED COLOUR RANGE

The whole RAL colour chart in powder coating, exclusive powder coating, metallic, textured, wood effect, more than 100 finishes in anodized. Aluminum on the outside and wood in the inside, two-coloured finishes... An unlimited offer to create a colour harmony at home. Quality labels in every process: QUALICOAT, SEA-SIDE, QUALIDECO and QUALANOD.

AVANT-GARDE AESTHETICS

We create tailor-made windows and façades for every project. Creativity to answer aesthetically and functionally to each demand. Aesthetic answers to the technical needs. Creativity at the service of habitable environments.

ENCLOSURES FOR LIFE

Aluminum is the most durable, long-standing and resistant material of those used in enclosures. Aluminum has the strength and a durability of the things that last a whole lifetime.

SUSTAINABLE SPIRIT

Respect for the environment is a Bison (UK) commitment. Using innocuous raw materials and products in all our manufacturing process and the limitless possibility of aluminum recycling, allows us to remove any creation of waste and environmental risks.
